SECURITY SOLUTIONS

The Will-Burt Company has been a manufacturer of GSA-approved Classes 5 and 6 security cabinets and containers since 1996. Will-Burt's manufacturing plant in Orrville, Ohio is certified ISO 9001:2015 compliant, producing high quality and durable items while delivering them on time.

**SECURITY SOLUTIONS** An experienced and highly skilled work force employs the latest in metal forming and welding technology to meet the requirements of GSA certification for both Class 5 and Class 6 products. A state-of-the-art powder coat line was installed in 2013 that produces Class A industrial finishes that ensure all cabinets and containers have a consistent and flawless finish.

Customer satisfaction is guaranteed by a team that has years of GSA supply experience and a commitment to meeting customer requirements.

Contact Will-Burt today for more information about our full line of Class 5 and 6 security cabinets, containers and accessories.
